Dear Mr. Peregrin:

Aircraft N179DN

As requested in your letter of January 31, 1992, this office has reviewed the Lease Agreement between Wilmington Trust Company, as Lessor, and Delta Air Lines, Inc., as Lessee..

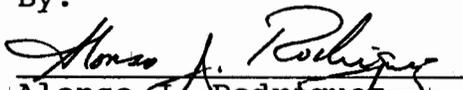

You have requested our opinion as to whether the Lease Agreement is eligible for recordation under Section 503(a) of the Federal Aviation Act of 1958 with (a) the Basic Rent Schedule and (b) the Termination Value and Stipulated Loss Value Tables omitted from the Lease Agreement as the Schedule and Tables contain confidential financial information.

It is our opinion that the Lease Agreement is recordable pursuant to Section 503(a) of the Federal Aviation Act of 1958, as amended, with (a) the Basic Rent Schedule and (b) the Termination Value and Stipulate Loss Value Tables omitted because of financial confidentiality of the information contained therein. Because the omitted information is contained in attachments which are not a part of the terms of the instrument, the Lease Agreement is eligible for recordation.

Sincerely,

Joseph R. Standell  
Assistant Chief Counsel
