

Phase 3 Gate Requirements

To begin the fourth phase, the following Phase 3 Gate requirements must be completed:

- All program and systems approved or accepted as applicable
- Training completed for all Phase 4 participants
- Acceptable Schedule of Events for Phase 4
- Acceptable Compliance Statement
- Accepted Safety Risk Management (SRM) process
- SMS Design Validation DCTs Complete

When all Phase 3 Gate requirements are complete, you are ready to begin Phase 4 - Performance Assessments prior to Proving Flights.
