Experimental Pilot Examiners

The Specialty Aircraft Examiner Branch, AFS-610 designates Experimental Pilot Examiners nationwide. Many of these examiners are also authorized to test for private, commercial, and ATP pilot certificates as well as instrument and Flight Instructor ratings. To find an examiner in your area go to the Designee Management System website at: https://designee.faa.gov/#/designeeLocator

- From the dropdown menu, select "SAE."
- Select the "Locations Search" radio button.
- Under the country dropdown menu, select "United States."
- Select your state. Note that there is not an examiner in every state. If you do not select a state, you will see all of the examiners in the United States for the aircraft selected. Do not select "Unknown."
- Go down the page to "Experimental Aircraft Examiners (EAE)" and select EAE-EAA-XXXX for an initial authorization test or EAE-PPE-XXXX for a 61.58 pilot proficiency check.
- In the drop down menu, choose the aircraft for which you would like to be tested.
- At the bottom of the page, select the "Search" button, which will display a listing of the examiners authorized to test in the aircraft you have requested.
- You may contact these examiners by telephone or email.

There may be no examiner available for some aircraft. If you are unable to locate an examiner for your aircraft, please contact the Specialty Aircraft Examiner Branch at 405-954-6400 for assistance.
