## **Associate Administrator for Aviation Safety Environmental Policy**

The Associate Administrator for Aviation Safety (AVS) is fully committed to the Administrator's Environmental Management Policy to achieve and maintain excellence and leadership in protecting the environment. The AVS mission is to promote aviation safety in the interest of the millions of people who rely on the aviation industry for business, pleasure, and commerce. AVS seeks to achieve its mission by developing effective means to sustain the highest level of aviation safety while incorporating environmental consciousness into our policy-making processes.

AVS commits to:

- Integrate environmental considerations into our mission.
- Prevent pollution and waste.
- Comply with all applicable environmental requirements.
- Continually improve our environmental management system.

AVS employees are committed to this policy by providing services in a manner that demonstrates respect for the environment.
