EASTERN, CENTRAL, & WESTERN (SECTION E, C, W)

- CAT II/III facilities
- Airports interface (mgr)
- Runway Safety (mgr)
- Northeast Corridor
- Airport/Runway safety meetings/work
- LVO/SMGCS (approvals, reviews)
- Airspace redesign issues & rulemaking
- Helicopter operations modernization
 - Heliport evaluation
- Aeronautical studies
 - OE/AAA NRA policy
 - NAS Change Proposals (NCP's)
 - Obstruction evaluation (OEAAA/NRA reviews)
 - Safety Hotlines for obstruction lighting outages
 - Decommissioning/relocating of navaids
 - Airports/Heliports (ALP, CSPP, planning, MoS, Airport Authority, heliport inspection, AFTIL)
 - HIL/Laser operations
- Instrument Flight Procedures
 - PRB Reviews
 - Redesign
 - Validation
 - Prototyping
 - Distribution

OVERSIGHT (SECTION 0)

- IFP Implementation (hot spot)
- Procedure Review Board processing/SWIMs

UNIT O

- Flight inspection policy oversight
- FAA Service Provider Oversight
- Non-FAA service provider oversight
- Foreign terminal instrument procedures approvals
- Special instrument flight procedures lifecycle/distribution

EASTERN (SECTION E) LEAD FOR: Safety Hotlines for obstruction lighting outages LVO/SMGCS CENTRAL (SECTION C) LEAD FOR: Airports interface Runway Safety OE/AAA NRA MoS HIL/Laser operations Heliport evaluation program WESTERN (SECTION W) LEAD FOR: NCPs

STANDARDS (SECTION S)

- TERPS IFP initiation design, documentation, waiver/approval, and charting policy
 - ICAO Standardization
 - Stakeholder outreach and criteria revision process
- FDC NOTAMS Policy
- FPAG directive processing
 - Editorial function
 - Processing policy

Administrative Support: Taylor Bley

FPAG DIRECTIVES

ORDERS

- FS 8260.57 Oversight of Non-FAA IFP Service Providers
- 7910.5 Aeronautical Charting Meeting
- 8000.94 Procedures for Establishing Airport Low-Visibility Ops
- 8260.3 US Standard for Terminal Instrument Procedures (TERPS)
- 8260.15 US Army Terminal Instrument Procedure Service
- 8260.19 Flight Procedures & Airspace
- 8260.26 Establishing Cutoff dates for Civil Instrument Flight Procedures
- 8260.31 Foreign Terminal Instrument Procedures (FTIP)
- 8260.32 US Air Force Terminal Instrument Procedure Service
- 8260.42 US Standard for Helicopter RNAV
- 8260.43 Flight Procedure Management Program
 3360.46 Parastana Procedure Program
- 8260.46 Departure Procedure Program
- 8260.58 US PBN Instrument Procedures Design
- 8260.59 US-IFPP
- 8260.60 Special Procedures
- 8260.61 Charted Visual Flight Procedures

ADVISORY CIRCULARS

- AC 90-110 IFP Service provider authorization guidance for SBAS
- AC 90-112 Development and Submission of Specials to FAA
- AC 90-113 IFP Validation of PBN
- AC 120-57 Surface Movement Guidance and Control System
- AC 120-105 Foreign Terminal Instrument Procedures Acceptance/Review
