People
Strengthen our current and future aviation workforce by holding ourselves accountable, developing our people and planning for the aviation workforce of the future

Maximize the Benefits of Diversity, Equity, Inclusion, and Accessibility
Develop and implement a comprehensive strategy to ensure a more thoughtful, robust workforce environment that embraces the diverse talents of employees, ensures fair and equitable treatment, and advances broader gains in diversity, equity, inclusion, and accessibility.

Initiative: EEO/Diversity and Inclusion Action Committee (EAC)
Utilize the EEO Action Committee (EAC) to collaborate and support a diverse and inclusive workplace with existing employee workgroups and LOBs/SOs to create an inclusive work environment.

Activity: Ensure a Diverse and Inclusive Workforce - Reasonable Accommodations
ACR will lead collaboration with LOBs/SOs to foster an inclusive work environment throughout FAA that promotes opportunities for all, including traditionally underrepresented groups such as Hispanics, Women, and People with Disabilities (PWD) / People with Targeted Disabilities (PWTD) by improving the Reasonable Accommodation interactive process.

Target: AGC - Reasonable Accommodations
Ensure that at least 90% of reasonable accommodation requests are processed within 25 business days or less.

Activity: Ensure a Diverse and Inclusive Workforce - Mediation
Managers engage in the mediation/facilitation process when requested.

Target: AGC - Mediation
Ensure that 75% of managers engage in mediation when requested by employees.

Initiative: Train Managers and Employees across the Agency in Diversity, Equity, Inclusion, and Accessibility (DEIA)
ACR will lead collaboration with LOBs/SOs to train managers and employees in DEIA.

Activity: ACR will Lead Collaboration with LOBs/SOs to Train Managers and Employees in DEIA
Ensure at least 75% of managers and 25% of employees from each LOB/SO attend a minimum of one training course from a menu of DEIA training courses such as Harmony & Respect, Reasonable Accommodations, Preventing Bullying, Equity, Hiring People with Disabilities (PWD) / Targeted Disabilities (PWTD), and Transgender.
Target: AGC - Train Managers and Non-Managerial Employees in a Minimum of One DEIA Training Course

Ensure at least 75% of managers and 25% of employees attend a minimum of one training course from a menu of DEIA training courses such as Harmony & Respect, Reasonable Accommodations, Preventing Bullying, Equity, Hiring People with Disabilities (PWD) / Targeted Disabilities (PWTD), and Transgender.
Global Leadership
Advance global aviation safety, operational excellence and innovation by leading and collaborating with aviation authorities globally

Global Aviation Safety and Security Enhancements
Improve global aviation safety and security through targeted assistance and collaboration, partnerships on aviation system safety oversight, streamlining regulatory environments, and promoting higher levels of global airspace and cyber security.

Initiative: International Legal Services - Support Client Offices
Provide legal services as required to FAA program offices responsible for promoting USG interests with other countries and international organizations, including the International Civil Aviation Organization (ICAO). Assist API in meeting work plan milestones. Complete legal sufficiency reviews within timeframes that meet defined client needs by (i) providing the initial review of 80% of template-based technical assistance agreements for international activities within 15 working days of receipt, and (ii) by performing initial review and coordination of 90% of U.S. positions and strategies by the deadlines specified in a particular Interagency Group on International Aviation (IGIA) paper.

Activity: Interagency Group on International Aviation (IGIA)
Legal review of Interagency Group on International Aviation (IGIA).

Target: Legal Review of Interagency Group on International Aviation (IGIA)
Complete legal review of IGIA matters as assigned by the deadline specified in the IGIA circulation. Legal review results either in (i) determination of legal sufficiency or (ii) a determination of work to be done by others to correct legal deficiencies. When it becomes clear that a deadline cannot be met, the attorney will contact the Assistant Chief Counsel so that the matter can be reassigned.

Activity: International Agreements and Contracts
Legal review of international agreements and contracts and providing technical assistance.

Target: Review of International Agreements and Contracts
Complete review of international agreements and contracts as assigned within 15 working days of receipt in AGC-700.

Target: Legal Technical Assistance to Foreign CAAs
Provide as assigned legal technical assistance to foreign Civil Aviation Authorities (CAAs), the ICAO Global Aviation Safety Oversight System (GASOS), or regional Safety Oversight Organizations (RSOOs) directed at achieving compliance with ICAO Standards for primary aviation law, regulations, enforcement systems, and related issues.

Activity: Promote USG Interests at the International Civil Aviation Organization (ICAO)
Provide legal assistance to FAA Program Offices on technical issues involving ICAO Standards and Recommended Practices. Serve as legal representatives at upcoming ICAO meetings, as necessary.
Target: Legal Support to FAA Program Offices
Provide as assigned (i) legal support to the relevant client offices in their review of ICAO initiatives, including proposals for new or revised Standards and (non-binding) Recommended Practices (SARPs); and other ICAO guidance materials; and (ii) legal assistance to FAA program offices in implementation of any new or amended SARPs.

Target: Represent the FAA and United States in ICAO Legal Bodies

Initiative: Telecommunications/Spectrum Law Services In Support of the Strategic Initiative: NAS and Deployment of Innovation
In the area of telecommunications/spectrum law, provide strategic oversight for legal advice and represent the Agency interests relating to FAA, Federal Communications Commission (FCC), and National Telecommunications Information Agency (NTIA) rulemaking, reallocation and sharing of government spectrum, unmanned aerial systems, and FAA acquisition of systems and services.

Activity: Executive Counsel telecommunications/spectrum law services in support of the strategic initiative: NAS and deployment of innovation
Provide legal services to accelerate and expand deployment of new technologies and promote innovations that enhance the safety and performance of the Nation’s air transportation system (NAS) such as integration of unmanned aircraft systems into the NAS.

Target: Monitor, Comment and Support FCC Rulemaking
Continue to monitor, comment on, and support FCC rulemaking petitions and coordinate as appropriate with industry representatives to ensure timely, sufficient spectrum for full system implementation of the Data Communications Program. It is one of FAA’s major acquisition programs.

Target: Government wide collaboration and assistance
Assist the FAA in developing a potential enterprise wide spectrum policy and addressing FCC decisions relating to 5G wireless access with potential adverse impacts on aviation spectrum.

Target: Legal Sufficiency of FAA Recommendations
Assure the legal sufficiency of the FAA recommendations and strategy in, and stakeholder consultation for, the Report to Congress on use of spectrum by unmanned aircraft systems. This report is pursuant to Section 374 of the 2018 FAA Reauthorization Act.
Initiative: Office of Adjudication (OADJ) Procurement and Acquisition Related Adjudication and Dispute Resolution Services (ODRA)

As an independently operating adjudicatory authority comprised of a Director/Chief Administrative Judge and other administrative judges, OADJ safeguards the quality and integrity of the Agency’s acquisition and contract administration processes by deciding or resolving, on behalf of the FAA Administrator, all bid protests and contract disputes that arise under the FAA's Acquisition Management System. It provides timely, fair, responsive and efficient adjudication, alternative dispute resolution (“ADR”) and dispute avoidance services in matters arising under the AMS, as well as in other designated administrative matters. It serves as the FAA's exclusive tribunal for adjudicating and deciding procurement and acquisition-related and other administrative disputes.
