

FAA Small Business Program - Bipartisan Infrastructure Law (BIL) Webinar

Date: January 31, 2022

Federal Aviation
Administration

Small Business Program Team Contacts

Allen Bresley (Manager): Atlantic City, NJ | Allen.Bresley@faa.gov (609) 485-4380

Headquarters Acquisition

Headquarters provides acquisition and contracting support for major National Airspace Systems (NAS) systems, major programs such as NextGen, systems engineering, and professional service programs. Most national-level systems and equipment acquisitions, and research and development (R&D), are awarded by Headquarters.

SB Program Contact(s):

Lakisha Davis: Washington, DC | Lakisha.davis@faa.gov
(202) 267-8862

Jeri Bird: Ft. Worth, TX | Jeri.Bird@faa.gov | (817) 222-4391

Lelanie Rivera: Des Moines, WA | Lelanie.Rivera@faa.gov
(206) 231-3021

William J. Hughes Technical Center (WJHTC) Acquisition

Acquisition and contracting in support of WJHTC activities that include Lab and Research support for National Airspace System (NAS) system upgrades, improvements, and operational sustainment. The Technical Center conducts test and evaluation, verification and validation, and sustainment of the FAA's full spectrum of aviation systems.

SB Program Contact:

Deborah Hemphill: Atlantic City, NJ | Deborah.Hemphill@faa.gov
(609) 485-5138

Mike Monroney Aeronautical Center (MMAC) Acquisition

The MMAC manages a variety of key contracting functions for the FAA, including logistics support for the NAS, operational and management training, medical research, and financial/accounting services. It's the home of the FAA Academy as well as the FAA's Logistic Center.

SB Program Contact:

Gerald A. Lewis: Oklahoma City, OK | gerald.a.lewis@faa.gov |
(405) 954-7704

Regional Acquisition

Regional acquisition involves projects that support air traffic facilities nationwide and FAA regional offices. Acquisitions range from supplies and equipment, to services and construction, including new facility construction (e.g., Towers/TRACONS), facility modernization construction, and facility maintenance.

SB Program Contact(s):

Jeri Bird: Ft. Worth, TX | Jeri.Bird@faa.gov | (817) 222-4391
Lelanie Rivera: Des Moines, WA | Lelanie.Rivera@faa.gov |
(206) 231-3021
