

REDAC Subcommittee for Human Factors (HF)

- **Objective:** Provide advice to the Administrator through the REDAC regarding needs, objectives, plans, approaches, content, and accomplishments for the FAA research program
- **Goal:** Help the FAA establish the best possible Human Factors RE&D program within the constraints of the FAA's available resources, including input on trends and advances

Full REDAC Responsibilities

- Consider aviation research needs, future technology, and the NAS (present and future). Assist in ensuring that research is coordinated with other similar research being conducted outside the FAA.
- Review and comment on the aviation research grants program and on the research and training to be carried out by air transportation centers of excellence

Designated Federal Official (DFO) Responsibilities

- Approve all of the Advisory Committee's meetings
- Prepare and approve all meeting agendas
- Attend all committee meetings, and
- Adjourn any meeting that he/she determines is in the best interest of the public to do so

REDAC and Subcommittee Meeting Goals

- Summer/Fall: To review the FY21 proposed portfolios to provide strategic guidance to the FAA for us during the preparation of the portfolio
- Winter/Spring: To review the proposed FY21 portfolio to provide feedback, advice, and recommendations during the FAA portfolio review

REDAC HF Fundamentals

- Findings
- Recommendations (Actionable)
- Actions
