

FINAL COMMENT LOG

Originating Office: FTW-AEG		Document Title/Description: MMEL S-92A Rev 3, Sikorsky Aircraft Corporation, S-92A (R00024BO)			POC and Phone Number: Roscoe Armstrong, 817-888-6664		Suspense Date: 10/18/2022
Commenter Name and Organization	Date	Page #	Line, Para, or Item #	Comment	Recommendation	Response	
James Sapoznik AFS-280	6/14/22	33-3	3350-01	The word 'Day' is not defined in PL-25 and must be removed.	Consider rewording to the following; - May be inoperative for other than night operations. -May be inoperative for night operations without cabin occupants.	Concur, made changes as suggested.	
James Sapoznik AFS-280	6/14/22	33-3	3350-01	IAW PL-31 Item 22 consider re-wording to remove the word 'or'.	Consider rewording to the following; - May be inoperative for other than night operations. -May be inoperative for night operations without cabin occupants.	Concur, made suggested changes.	
Robert Nutt AFS-330	05/11/22	23-6	2360-01	Remarks and Exceptions column is missing (M) that is identified on page XI of the Guidelines for (M) and (O) procedures.	Insert "(M)" into Remarks and Exceptions column for this item.	Concur, made suggested changes.	
Robert Nutt AFS-330	05/11/22	24-1	2421-01	Remarks and Exceptions column is missing (O) that is identified on page XI of the Guidelines for (M) and (O) procedures.	Insert "(O)" into Remarks and Exceptions column for this item.	Concur, made suggested changes.	
Robert Nutt AFS-330	05/11/22	24-1	2421-02	Remarks and Exceptions column identifies (M) procedure. Note: Page XI of the Guidelines for (M) and (O) procedures states "DELETED relief since required by RFM."	Remove (M) from Remarks and Exceptions column for this item	Concur, made suggested changes.	
Robert Nutt AFS-330	05/11/22	25-1	2520-02	Remarks and Exceptions column is missing (M) that is identified on page XII of the Guidelines for (M) and (O) procedures.	Insert "(M)" into Remarks and Exceptions column for this item.	Concur, made suggested changes.	
Robert Nutt AFS-330	05/11/22	32-1	3240-01	Remarks and Exceptions column identifies (M) procedure. Note: Page XIII of the Guidelines for (M) and (O) procedures does not identify an (M) procedure for this item.	Remove (M) from Remarks and Exceptions column for this item	Non-Concur. There is no 3240-01 on page XIII. 3240-01 is correct as is.

Robert Nutt AFS-330	05/11/22	34-1	3444-01	Remarks and Exceptions column identifies (O) procedure. Note: Page XIV of the Guidelines for (M) and (O) procedures does not identify an (O) procedure for this item.	Remove (O) from Remarks and Exceptions column for this item	Non Concur, will remain. There are flight crew procedures required.
Robert Nutt AFS-330	05/11/22	34-4	3444-03	Remarks and Exceptions column identifies (O) procedure. Note: Page XIV of the Guidelines for (M) and (O) procedures does not identify an (O) procedure for this item.	Remove (O) from Remarks and Exceptions column for this item	Non-Concur, will remain as there are operations procedures required. 3444-03 added to page XIV.
Robert Nutt AFS-330	05/11/22	34-8	3461-04	Remarks and Exceptions column identifies (O) procedure. Note: Page XV of the Guidelines for (M) and (O) procedures does not identify an (O) procedure for this item.	Remove (O) from Remarks and Exceptions column for this item	Non-Concur will remain as operation procedure. 3461-04 added to page XV.
Robert Nutt AFS-330	05/11/22	25-1	2500-01 and 2500-02	There is no formatted break line for separation between NEF item and FLIR item. Two separate items.	Insert formatted break line for separation of items.	Concur Laura, please add the separation line. Thank you.
Robert Nutt AFS-330	05/11/22	33-2	3310-02	PL-031 recommends the word "operative" should be used instead of "operable". Remarks or Exceptions states "May be inoperative provided cockpit instrument lighting is operable".	Change wording in Remarks or Exceptions to read "May be inoperative provided cockpit instrument lighting is operative".	Concur, made recommended changes.
Robert Nutt AFS-330	05/11/22	34-5	3445-01	Item description describes "Traffic Alert Collision Avoidance System (TCAS II)" only	For clarification and continuation, add or change wording to: "2) Resolution Advisory (RA) Display System(s)" to the item description. Note: the Remarks and Exceptions are directly applicable to the continuation of 2) Resolution Advisory (RA) Display System(s).	Non-Concur Is per Policy Letter 32, Rev. 7.
