

AD NPRM Search Guide for DRS

Updated 7/7/2022

<https://drs.faa.gov/browse>

1. On the left Browse menu, click "Regulations > Airworthiness Directives (ADs) > AD NPRMs"

- OR search "AD NPRMs" in the search box under "Browse"

Browse

Expand All

Collapse All

AD NPRMs

- Regulations
 - Airworthiness Directives (ADs)
 - AD NPRMs

2. Click on the "AD NPRMs" title in the Browse menu (shown above) to reveal the AD NPRM filter screen

AD NPRMs

Note: Airworthiness Directives are part of the Code of Federal Regulations, but they are not codified in the annual edition. The [Federal Register](#) is the official daily publication of the United States government. As such, the FAA publishes airworthiness directives in full in the Federal Register as amendments to 14 CFR §39.13
