Advise any FSS immediately of changes to the information. Your MFP is in effect only upon notification by FSS personnel that your Master Flight Plan has been added to our database.

FSS USE ONLY

MFP: Date Received: _____ FSS Receiving MFP: _____ Method of Receipt: _____

Initials of Specialist: _____ FSS Database Entry Date / Effective Date: _____

Notification Sent (date): _____ Pilot Notified (method): _____

INSTRUCTIONS

This worksheet may be saved and printed. Once printed, it may be faxed, mailed, or delivered in person to the FSS that serves your aircraft's home base. Please only send to one FSS.

The Master Flight Plan database is now shared throughout the state of Alaska's FAA Flight Service System and filing a Master Flight Plan with any FSS is valid for and available to all FSS's throughout Alaska.

We only use your information for the expressed purposes for which it is intended. Your information is not made available to any third party.

More information on the FAA's privacy policy regarding Personally Identifiable Information (PII) is available at

Enhanced Special Reporting Service (ESRS)

If you have a flight tracking device and are interested in participating in Enhanced Special Reporting Service (ESRS), contact a staff support specialist at one of the following FSS's for details on how to sign up. If you are already an approved ESRS participant, check the ESRS Participant box in section 6 above.

Two-Way Texting

If you have a Master Flight Plan on File, you may also participate in the Flight Service Two-Way Texting Service by adding your SMS capable cellphone or participating satellite device. Contact a staff support specialist at one of the following FSS's listed below for details.
