WHEN

Registering for the SAS External Portal

WHERE

sas.faa.gov

WHY

To obtain access to a CH/A through the SAS External Portal

WHO

Authorized External Portal User representatives applying for SAS External Portal access

What is it?

Certificate Holder/Applicant (CH/A) Registration for the SAS External Portal

Accessing the SAS External Portal

- As a CH/A representative, you must have an FAA MyAccess account or create a new one if one does not already exist as part of the initial External Portal registration process
- External Portal Users can request multiple registrations for the SAS External Portal

External Portal Information User Guide

The External Portal Information User Guide is available for more information.

CAUTION

Anybody who has internet access can request access to the SAS External Portal. The Automation does not validate the association of the certificate with each individual requesting SAS External Portal access. To ensure only valid representatives are registered for the SAS External Portal, each office is responsible for authorizing and managing access. The CH/A must develop a method to notify the responsible Flight Standards office when a user should no longer have access to the SAS External Portal.

Note: The **MyAccess Registration User Guide** may be found [here](#).

Welcome to the FAA Safety Assurance System (SAS) External Portal

The SAS External Portal allows existing Certificate Holders and Applicants for initial certification to interact with your local Flight Standards District Office (FSDO), Certificate Management Office (CMO), or International Field Office (IFO).

Currently, the SAS External Portal only supports Applicants and Certificate Holders operating under 14 CFR Parts managed within SAS. Please read the instructions on this page to apply for a secure FAA User Name/ID that you can use to access the SAS External Portal.

Before applying for a certificate, you should first familiarize yourself with information about the certification process

- For 14 CFR parts 121, 135, 141, 142 and 147 this information is available at: www.faa.gov/licenses_certificates/airline_certification.
- Additional information for 14 CFR part 145 is available at: www.faa.gov/aircraft/repair
- For SAS External Portal resources and descriptions of available SAS processes for a "New Applicant for Certification", https://drs.faa.gov/browse/SAS_External_Template/doctypeDetails
- Use the following links to help locate the appropriate FAA office to make your initial inquiry
 - Flight Standards District Office (FSDO): www.faa.gov/about/office_org/field_offices/fsdo
 - Certificate Management Office (CMO): www.faa.gov/about/office_org/field_offices/cmo
 - International Field Office (IFO): www.faa.gov/about/office_org/field_offices/ifo

2

- ☒ I have made my initial inquiry with my local FAA FSDO/CMO/IFO.
I have read and understood the certification process and the associated requirements, if applicable.

3

- ☐ * **New Operator** Select this option if this is for an operator or agency that has not already submitted an initial application and is not an established operator/agency.
- ☒ * **Existing Operator**: Select this option if this access is for an existing operator or agency, including for an operator/agency that has already submitted their initial certification.
