

U.S. Department
of Transportation
**Federal Aviation
Administration**

August 2, 2021

Mr. Fred Telling
Chairman and CEO
Reno Air Racing Association
14501 Mt Anderson ST
Reno, NV 89506

Dear Mr. Telling:

During the period of June 03 – 08, 2021, representatives from the Federal Aviation Administration (FAA) met with representatives from the Reno Air Race Association (RARA) during Pylon Racing School to conduct an evaluation of RARA's air race operations. Based on our evaluation the FAA accepts RARA's Operations Manual dated March 1, 2021. In addition, the FAA recognizes RARA as the responsible party for the National Championship Air Races (NCAR) and gives RARA authorization to submit an Application for a Certificate of Waiver (CoW), FAA Form 7711-2, on behalf of the following seven race classes:

- Biplane Class
- STOL Class
- Formula One Class
- T-6 Class
- Sport Class
- Unlimited Class
- Jet Class Course

This recognition will remain valid until July 31, 2023 unless superseded or rescinded.

We appreciate the cooperation you have extended to the FAA in the past and look forward to continue working with you and your entire team in assuring aviation safety. Please contact David Menzimer, Manager, AFS-840 Technical Branch. I can be reached by telephone at (206) 231-3770 or via email at david.menzimer@faa.gov.

Sincerely,

**David M.
Menzimer**
