WANTED

**SAFE
PEOPLE AND OPERATIONS**

**RAMP LOSA
PROACTIVE
PEER OBSERVATIONS**

What is LOSA?

Through non-jeopardy peer observations,
Line Operations Safety Assessment
helps identify and manage threats and errors
before they lead to incidents and accidents.

Team Together for Safety

Ramp LOSA

Ramp Line Operations Safety Assessment

Coming to a Workplace Near You

A way to:

help one another by watching everyday activities

see our best practices

seize opportunities to improve

predict the things that can go wrong

identify problems before they happen

**PEER-TO-PEER,
NO NAME, NO BLAME**
