

Eighteenth Meeting of the Cross Polar Trans East Air Traffic Management Providers' Work Group (CPWG/18)

(Paris, France, 16-19 December 2014)

Agenda Item 5: Provide Status on CPWG/17 Actions

ICAO Inter-Regional AIDC Task Force (IRAIDCTF) Update

(Action Item #CP14-07)

(Presented by the United States)

SUMMARY

This paper provides an update on the Inter-Regional Air Traffic Service Inter-facility Data Communications (AIDC) Task Force (IRAIDCTF) effort to harmonization the AIDC documents.

1 Introduction

- 1.1. As a result of the ongoing endeavor to harmonize Air Traffic Service Inter-facility Data Communications (AIDC) and consolidate the Interface Control Document (ICD) for the North Atlantic and Asia/Pacific Regions, the ICAO Inter-regional AIDC Task Force (IRAIDCTF) was formed.
- 1.2. The Third Meeting of the IRAIDCTF (IRAIDCTF/3) met 24-28 March 2014 at ICAO Headquarters in Montréal.
- 1.3. In accordance with the Terms of Reference approved by NAT SPG Conclusion 48/28 and APANPIRG Conclusion 23/20, the objective of the Meeting is to consolidate the Interface Control Documents (ICD) for APAC and the NAT.

2 Discussion

- 2.1. A final meeting of IRAIDCTF was conducted by WebEx on 28 October 2014. The purpose of this meeting was to adjudicate all comments submitted to the previous draft version of the document.
- 2.2. As a result of the final meeting, the IRAIDCTF was able to produce the Pan Regional (NAT and APAC) Interface Control Document for ATS Interfacility Data Communications (PAN AIDC ICD) Version 1.0
- 2.3. The future of this document is expected to be similar to the GOLD and SVGGM documents, i.e., evolve into a global document through the ICAO OPLINKP review and endorsement.

3 Recommendation

- 3.1. The Meeting is invited to note the information provided in this paper.
