A	Western toll-way bypass																																				
B	VOR Decommissioning																																				
C	RWY 9C/27C East/West Package																																				

	Project	Description of Work	Estimated Dates	Status	Impact	Notes
A	Western toll-way bypass	Toll-way construction along the western airport boundary from intersection of Business Road and S.R.83 westbound to Interstate 355.	03/01/2017 to 12/06/2019	In Progress	■	During construction, Construction cranes will impact approach minimums by increasing decision height (DH). NOTAMS in effect.
B	VOR Decommissioning	Will be replaced with a stand-alone DME northeast of the current VOR/DME as part of the RWY 9C-27C project.	03/01/2017 to 01/03/2019	In Progress	■	Commissioning, flight check of new equipment may impact flows into and out of ORD.
C	RWY 9C/27C East/West Package	New center runway construction (11,245 ft. long x 200 ft. wide).	05/01/2017 to 11/01/2020	In Progress	■	Only when weather is below 500-1/2 (LOCALIZER minimums); GDPs, MIT, airborne holding, and arrival delays of up to 60 minutes possible. The loss of 9R/27L glideslope during IMC conditions lowers airport to a 76 AAR.

■ No capacity effect

■ Reduced Capacity and Delay impact

■ Reduced Capacity and Greater Delay Impact

■ To be determined

D	North ASDE																																				
E	West Field Deicing Pad																																				
F	Relocation of the west ASR-9																																				

Project	Description of Work	Estimated Dates	Status	Impact	Notes
D	Construction of a new North ASDE SMR (airport surface detection radar antenna) site. Construction of 77 ft. tall tower (seven sections).	06/18/2018 to 03/29/2019	In Progress	■	
E	West Field Deicing Pad	Construction of a new deicing pad.	Summer 2018 to 12/29/2018	In Progress	■ Slight impact to taxi flows. The deicing pads will be constructed away from the gates, so planes no longer have to remain at and tie up gates while being deiced.
F	Relocation of the west ASR-9	The ASR will be relocated to the south airfield to support new RWY 9C-27C.	08/01/2018 to 03/26/2019	In Progress	■ Commissioning flight check may impact flows into and out of ORD.
