INITIAL DISCUSSION (MEETING 95-01): **Action:** Unavailable

MEETING 95-02: Discussion indicates that ATPAC has agreed to the ALPA issues, and they are awaiting publication. ALPA requests this item remain open till the items are published. **Action:** Item Open (ALPA).

MEETING 96-01: All the ALPA items have been resolved except two: Item #7 (procedure turn methods and maximum airspeed) is being addressed and will be resolved under ACF agenda item 95-01-143; Item #8 (AIM language for holding-in-lieu of procedure turn). All agreed that AIM paragraph 5-4-8 a-4 should be revised. Bill Hammett, AFS-420 took the IOU to make the AIM change happen. ALPA agreed to close the item. **Status:** Item Closed
