¹ Airports report PFC revenue received from the collecting carriers (net of airline administrative fees)

² Airports have 2 years after the calendar year ends to make corrections to their collections total, e.g., in 2017, airports can make corrections to their collections totals in 2014 and 2015

³ In 2006, airports were allowed the opportunity to make corrections to all prior year's collections

- Estimated monthly collections in 2018: \$286 million
- Estimated collections (based on current collection rates)

2018 - \$3.427 billion

2019 - \$3.566 billion
