Footnote: Service Level and hub categories are based on enplanements between January 1 and December 31, 2020. Because of dramatic declines in passenger traffic due to the COVID-19 pandemic, some airports are categorized differently than previous years. Additionally, the FAA's Terminal Area Forecast may reflect different categories because it utilized enplanements between October 1, 2019 and September 30, 2020, which had different passenger impacts due to the COVID-19 pandemic.
