Exemption No. 11790A  
Regulatory Docket No. FAA-2015-1005

Mr. John Monaco  
President/CEO, Chief sUAS Operator, and Founder  
Sierra Pro Aerial Imaging, LLC  
6610 Star Vista Lane  
Rocklin, CA 95677

Dear Mr. Monaco:

This letter is to inform you that we have granted your petition for an amendment. It explains the basis for our decision, describes its effect, and lists any changes to the original conditions and limitations.

By letter dated April 7, 2016, you petitioned the Federal Aviation Administration (FAA) on behalf of Sierra Pro Aerial Imaging, LLC (hereinafter petitioner or operator) for an amendment to your current exemption. That exemption from §§ 61.23(a) and (c), 61.101(e)(4) and (5), 61.113(a), 61.315(a), 91.7(a), 91.119(c), 91.121, 91.151(a)(1), 91.405(a), 91.407(a)(1), 91.409(a)(1) and (2), and 91.417(a) and (b) of Title 14, Code of Federal Regulations (14 CFR) allows the petitioner to conduct UAS operations. You requested an amendment to change the company name from Eagle View Aerial Imaging LLC to Sierra Pro Aerial Imaging, LLC.<sup>1</sup>

In your petition, you indicate that there has been no change in the conditions and reasons relative to public interest and safety that were the basis for granting the original exemption.

The FAA has determined that good cause exists for not publishing a summary of the petition in the Federal Register because the requested amendment to the exemption would not set a precedent, and any delay in acting on this petition would be detrimental to the petitioner.

---

<sup>1</sup> The petitioner also requested to add operations. At this time, the FAA is unable to act on this request. When the FAA is ready to act, we will proceed accordingly and no further action will be required by the petitioner.

**Our Decision**

The FAA has determined that the justification for the issuance of Exemption No. 11790 remains valid and is in the public interest. Therefore, under the authority contained in 49 U.S.C. 106(f), 40113, and 44701, delegated to me by the Administrator, the operator is granted an amendment to change the operator name.

The operator shall add this amendment to its original exemption.

**Conditions and Limitations**

In this grant of amendment, Sierra Pro Aerial Imaging, LLC is hereafter referred to as the operator. All conditions and limitations within Grant of Exemption No. 11790 remain in effect.

Failure to comply with any of the conditions and limitations of this grant of exemption will be grounds for the immediate suspension or rescission of this exemption.

This exemption terminates on June 30, 2017, unless sooner superseded or rescinded.

Sincerely,

/s/

John S. Duncan
