

AVIATION BINGO

Instructions

Print one bingo card for each player (limit 67 players).

Print bingo *Call Names*.

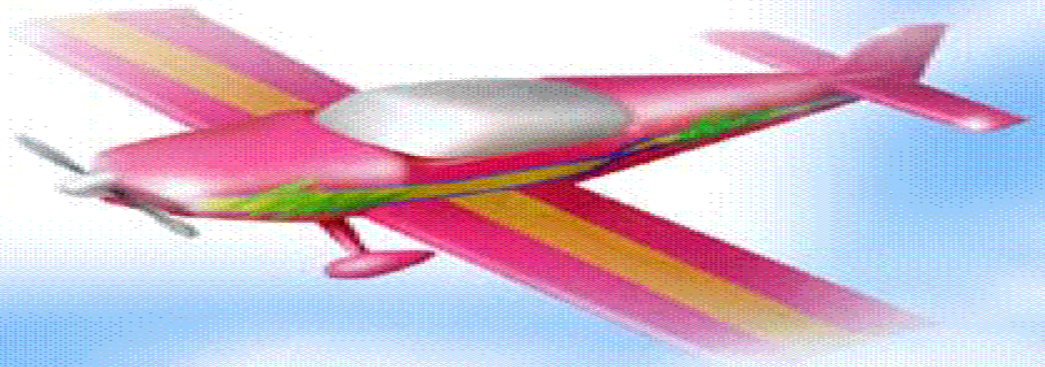

Cut out *Call Names* and place in a container.

Randomly select one *Call Name* at a time and announce it to players.

Players listen for *Call Names* to be announced.

Players mark their *Call Name* square with candies, pennies, dry beans, pencil marks, etc.

First player to have five *Call Names* in a row (across, up and down, or diagonal) – wins.
