---

## How to Join the Meeting:

### **Option 1: VTC Bridge (only accessible via the FAA network):**

VTC Bridge titled **REDAC Meeting** with a dial number of **7000315002**. This Bridge is registered for **5** sites and is active beginning at **7:30AM – 5:30PM ET, Thursday March 15th, 2017**.

Dial In Access: (VTC Bridge): **7000315002**

### **Option 2: Computer Remote Access (for all without VTC access)**

On your computer (works well with Chrome), type in the following link:

**Join.me/faanaptf296**

You should be able to join our conference room computer, from where presentations will be made.

### **Option 3: Telcon Number (and in addition to Option 2 for voice)**

Chairperson Passcode: **614183**

Participant Passcode: **978450**

Dial In Access: (USA Only) **888-924-3230**

Dial In Access: (Direct Dial) **609-916-1975**

Dial In Access (Alternate USA Only) **888-335-6670**

Dial In Access (Alternative Direct Dial)     **405-225-2375**

Instructions:

Call the Dial In Access number listed above.

When prompted, enter the Passcode followed by the # key.

You will then be connected to the conference.

The Chairperson is responsible for:

A: Distributing the Participant Passcode and Dial In number.

B: Renewing recurring conferences before they expire.

For questions regarding your conference please contact the FAVES EOCC at:

E-Mail: [faveshelp@gdit.com](mailto:faveshelp@gdit.com)

Telephone:

(USA Only) 800-537-6269

(Direct Dial) 405-225-2460

To request a new conference, add an additional conference or manage your conference call online using the

online FAVES User Conference Dashboard (UCD), visit <http://favesvoiceportal.faa.gov>

Note: This is an FAA approved "trusted" link that is only accessible via the FAA Network.

**Any issue: send me a text at: 603-320-2937 (Michel Hovan)**
