<ul style="list-style-type: none"> • 1,250 hours of total time as pilot (students who have completed at least 30 credit hours in accordance with § 61.160(c)) 	
<ul style="list-style-type: none"> • Certifying statement on official transcript or other approved document 	
<p>4. 1,500 Hours Total Time as a Pilot</p>	
<ul style="list-style-type: none"> • Meet the requirements of § 61.160(f) 	

ATP – Airplane Multiengine Applicant Qualifications Job Aid (continued)

ATP Practical Test –Airplane Category, Multiengine Class Rating Knowledge Test and Certification Training Program Requirements On or Before July 31, 2014

NOTES:

Prior to August 1, 2014, completion of the ATP Certification Training Program defined under §61.156 is **not** required to take the knowledge test. (§61.153(e))

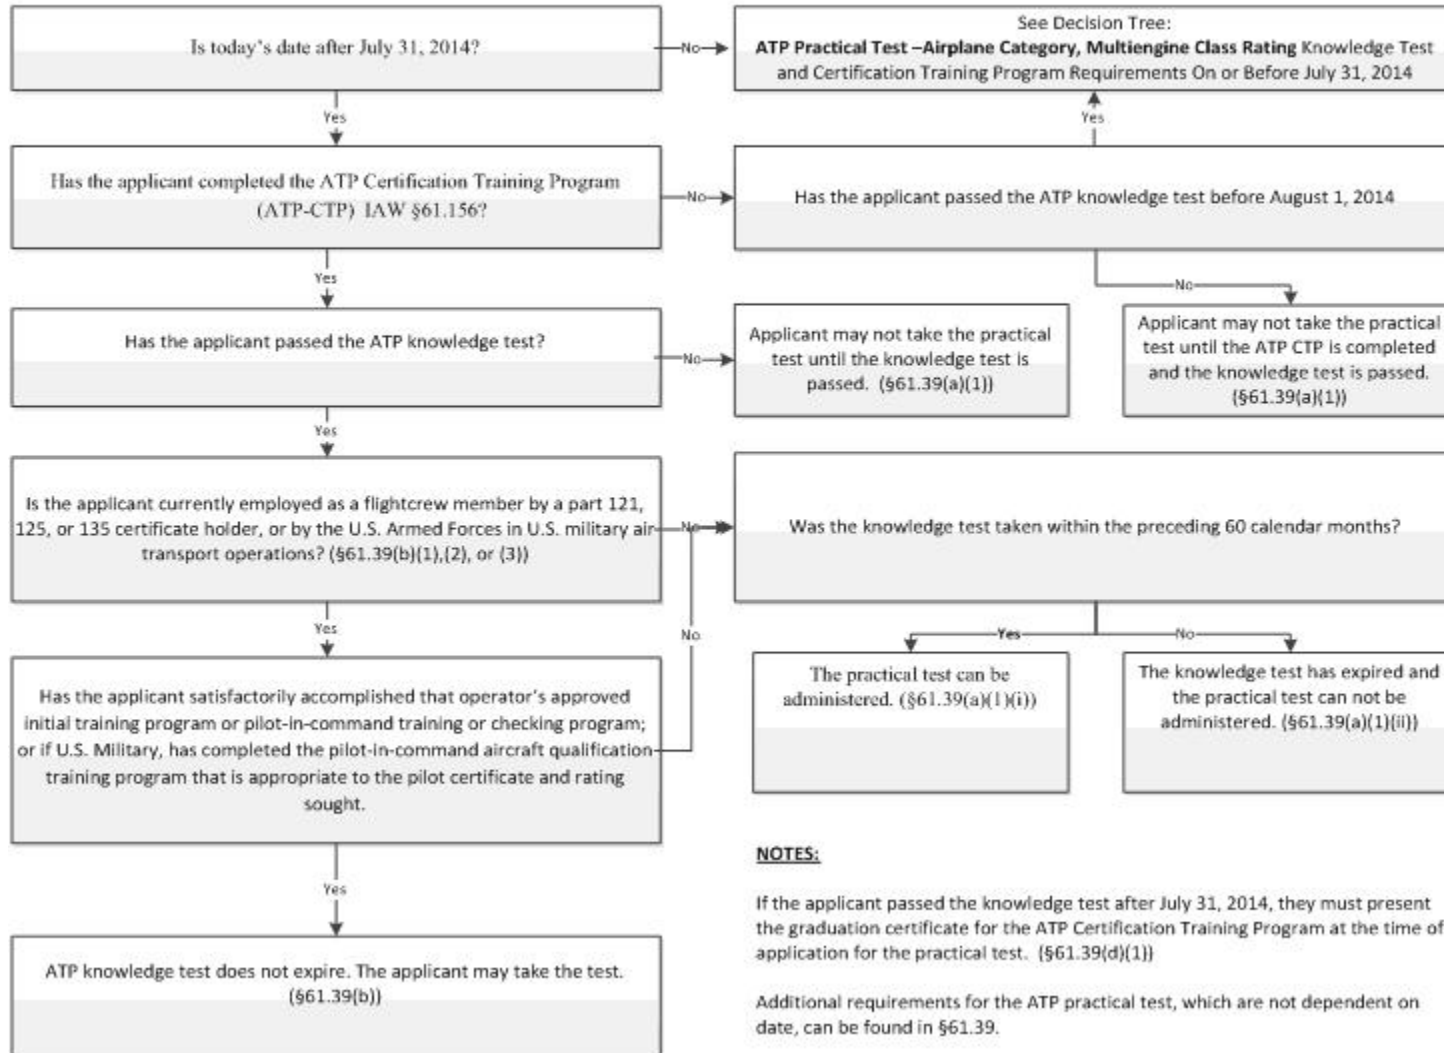

The knowledge test results for pilots who pass the knowledge test on or before July 31, 2014, are valid within the 24 calendar month period preceding the month the applicant completes the practical test. (§61.39(a)(1)(i))

Pilots may not use an expired ATP knowledge test that was taken on or before July 31, 2014, to take the practical test even if they are currently employed by an air carrier. (§61.39(b)(1), (2), and (3))

Additional requirements for the ATP practical test, which are not dependent on date, can be found in §61.39.

ATP – Airplane Multiengine Applicant Qualifications Job Aid (continued)

ATP Practical Test –Airplane Category, Multiengine Class Rating Knowledge Test and Certification Training Program Requirements After July 31, 2014

NOTES:

If the applicant passed the knowledge test after July 31, 2014, they must present the graduation certificate for the ATP Certification Training Program at the time of application for the practical test. (§61.39(d)(1))

Additional requirements for the ATP practical test, which are not dependent on date, can be found in §61.39.
