Extension 2007-ESA-8

Due to a high volume of requests for a Certificate of Authorization a 60 day extension is granted for the US Army - Aviation Applied Tech Directorate (COA #2007-ESA-8) to operate the Vigilante UAS from Felker Army Airfield, Virginia. Therefore, the new expiration date is April 5, 2009. We are currently processing the renewal of this document and anticipate a new COA within the extension period.
