**RE: Application for Certificate of Authorization from Federal Aviation  
Administration  
Governmental status of Oregon State University**

This supplements my February 28, 2012 memorandum on the same subject.  
I am of the opinion that Oregon State University qualifies as part of the government of a  
State as described in 49 USC 40102(a)(41). Further, be advised that Oregon State  
University's operations under the Certificate of Authorization will not be for  
commercial purposes as that term is used in 49 USC § 40125(b).
