Subj: UAS SHADOW SYSTEM RADIO FREQUENCY AUTHORIZATIONS (RFA)

1. This letter is written to certify that the U.S. Marine Corps is in possession of the appropriate Radio Frequency Authorization's (RFA) that permit RQ-7B Shadow operations to be conducted within Marine Corps Air Station Yuma's delegated airspace under serial numbers MC085282, MC085284, MC095101, MC095102, MC095103, MC095104, MC095105, MC095106, and MC095124. As such, a spectrum analysis has been conducted and reflects that there is no adverse impact to the RQ-7B aircraft or other aviation systems on or around Cannon Air Defense Complex or Marine Corps Air Station Yuma, Arizona. Of note, RQ-7B operations have been taking place within restricted airspace under MCAS Yuma Using Agency control since September 2009 and no frequency conflicts exist.

2. The point of contact on this matter is Mr. Christopher Chaffin, MCAS Yuma Frequency Manager, at Comm: (928) 269-3533.
