

**PUEBLO OF SANTA ANA  
PERMISSION GRANT**

TEMPORARY PERMIT ONLY

The Pueblo of Santa Ana grants permission to the New Mexico State University Technical Analysis and Application Center c/o Glen Witt, whose main office address is New Mexico State University, Las Cruces, NM, to access Santa Ana Pueblo lands, specifically the area just east of the Hyatt Tamaya Resort & Spa on Monday December 5<sup>th</sup> 1200 to 1600 for practice flights. Tuesday December 6<sup>th</sup>, 2011 from about 8:00am to 4pm for the small UAS flight show, and in case of inclement weather the group requests Wednesday December 7<sup>th</sup> to be a back-up. They will be performing some flights of small unmanned aircraft that would take off and land on Resort property, between the Resort and Rio Grande River, during a 2011 TAAC conference. The Permittee agrees to observe all laws and regulations applicable to the Santa Ana Reservation and further agrees to be responsible for any damages incurred by them to property belonging to the Pueblo.
