Issued: 01/30/2025 1928 (UTC)
FAA Houston ARTCC

Effective: 02/06/2025 0601 (UTC)
Letter to Airmen: LTA-ZHU-10

Subject: 2025 Super Bowl LIX Special ATC Procedures

Cancellation: 02/11/2025 0400 (UTC)

In anticipation of a large number of aircraft operating to and from the New Orleans metropolitan area the week of Super Bowl LIX, the following Special Air Traffic procedures will be used to enhance safety and minimize air traffic delays. These procedures will be in effect from February 6, 2025, 0601 UTC through February 11, 2025, 0400 UTC.

Please refer to: www.faa.gov/superbowl (<http://www.faa.gov/superbowl>).

SPECIAL EVENT RESERVATION (PPR) PROGRAM

Due to the high volume of air traffic anticipated during the 2025 Super Bowl LIX activities, a Special Event Reservation Prior Permission Required (PPR) Program will be in effect for arrivals and departures, including drop-and-go operations, to and from airports in the New Orleans metropolitan area, between Thursday, February 6, 2025, 0001 CST and Monday, February 10, 2025, 2359 CST. The following flights are exempt from this program: law enforcement and public safety flights; and regularly scheduled air carriers and air taxi operations, including flights operating under Title 14, Chapter II, Subchapter D, Part 380, which covers Essential Air Service under the Small Community Air Service Development Program (SCASDP).

Participating Special Event Reservation (PPR) Program airports include:

AIRPORT ID	AIRPORT	LOCATION
KMSY	Louis Armstrong New Orleans International	New Orleans, LA
KNEW	Lakefront	New Orleans, LA
KASD	Slidell	Slidell, LA
KHDC	Hammond Northshore Regional	Hammond, LA
KAPS	Port of South Louisiana Executive Regional	Reserve, LA

For the Special Event Reservation (PPR) Program, review the airport's NOTAM, and as directed in the NOTAM contact your preferred FBO at that airport, or the Airport Authority.

The Special Event Reservation (PPR) Program should not be confused with any separately required airspace reservations which may be required.

All pilots/operators are **strongly encouraged to contact their servicing FBO prior to departure**, to ensure availability for both overnight parking and passenger pickup/drop-off.

Traffic in the area is expected to be significantly higher than normal operations. Operators without Special Event Reservation (PPR) Program reservations should expect significant delays in and out of the area with the possibility of denial of service.

VFR PILOT CLARIFICATION: The Super Bowl LIX Special Event Reservation (PPR) Program **will** apply to VFR air traffic; however, an airport may have more stringent requirements for itinerants due to constrained ramp space and resources. Please contact the FBO or Airport Authority where you are based and at those locations where you intend to arrive/depart for additional information.

In addition, many other airports, especially those within a 50 NM radius of KMSY, are projecting a substantial increase in operations, and parking at surrounding airports may be unavailable. These airports may have more stringent requirements for itinerants, due to constrained ramp space and resources. Please contact the FBO or Airport Authority where you are based, and at those locations where you intend to arrive/depart for additional information.

LAKEFRONT ATCT EXTENDED HOURS

Lakefront (KNEW) Airport Traffic Control Tower (ATCT) will have extended operating hours during this event. The hours will be as follows:

DATE HOURS

FEB 6 0700-2200 CST

FEB 7 0700-2400 CST

FEB 8 0600-2400 CST

FEB 9 0600-0200 CST

FEB 10 0500-2200 CST

FEB 11 0600-2100 CST

HAMMOND NORTHSHORE REGIONAL FCT EXTENDED HOURS

Hammond Northshore Regional (KHDC) Federal Control Tower (FCT) will have extended operating hours during this event. The hours will be as follows:

DATE HOURS

FEB 7 0800-2200 CST

FEB 8 0600-2200 CST

FEB 9 0600-0000 CST

FEB 10 0600-1800 CST

HOUMA-TERREBONNE FCT EXTENDED HOURS

Houma-Terrebonne (KHUM) FCT will have extended operating hours during this event. The hours will be as follows:

DATE HOURS

FEB 10 0530-1900 CST

SECURITY PROVISIONS

Special security provisions will be in effect for this event including (but not limited to) Temporary Flight Restrictions (TFRs), two-way communication, and discrete transponder requirements. Specific procedures contained in this notice may be revised. Access to some airports may be restricted. Pilots are encouraged to check NOTAMs frequently to verify they have the most current information.

TFR information is normally disseminated via FDC NOTAM 3 to 5 days prior to the event. Once published, text and graphic depictions of restrictions may be found on the following web site: <http://tfr.faa.gov/tfr2/list.html> (<http://tfr.faa.gov/tfr2/list.html>).

VFR TRAFFIC

Due to the high volume of traffic in the New Orleans metropolitan area, VFR arrivals can expect lengthy delays during peak traffic periods. In addition, VFR departures from the New Orleans area should not expect to obtain an airborne pickup of IFR clearance within 200 NM of their point of departure.

Practice approaches, touch-and-goes, flight following services and pilot training operations at airports in the New Orleans metropolitan area will be extremely limited and possibly curtailed during this time period, due to the high volume of traffic associated with Super Bowl LIX.

TRAFFIC MANAGEMENT

Traffic management initiatives will be utilized when arrival rates exceed airport capacity. Pilots should be prepared for potential airborne holding, reroutes, or Expect Departure Clearance Times (EDCTs) that may be issued for all domestic IFR arrivals to the following airports:

AIRPORT ID	AIRPORT	LOCATION
KMSY	Louis Armstrong New Orleans International	New Orleans, LA
KNEW	Lakefront	New Orleans, LA
KASD	Slidell	Slidell, LA
KBTR	Baton Rouge Metro, Ryan Field	Baton Rouge, LA
KLFT	Lafayette Regional/Paul Fournet Field	Lafayette, LA
KGPT	Gulfport-Biloxi International	Gulfport, MS
KHDC	Hammond Northshore Regional	Hammond, LA
KHSA	Stennis International	Bay St Louis, MS
KAPS	Port of South Louisiana Executive Regional Reserve	LA
KHUM	Houma-Terrebone	Houma, LA

AIRFILES AND CHANGE OF DESTINATION

Traffic management initiatives for this event will be utilized to provide equitable airspace access. To maintain program integrity and minimize delays, no airborne IFR filing or airborne changes of destination will be accepted within 200 NM of the New Orleans Terminal Area, except in emergency situations. Duplicate flight plans (same time/call sign) to multiple airport destinations are subject to removal from the system.

REQUIRED ROUTES

IFR aircraft arriving and departing the New Orleans Terminal Area should file and expect to be routed via the following routes.

However, if any other impacts, such as weather preclude the use of these routes, please refer to the FAA's Air Traffic Control System Command Center (ATCSCC) Advisory page for the most up to date route information at: <https://www.fly.faa.gov/adv/advAdvisoryForm.jsp> (<https://www.fly.faa.gov/adv/advAdvisoryForm.jsp>).

ARRIVAL ROUTES

Effective Thursday, February 6, 2025, through Tuesday, February 11, 2025, 1300-0400 UTC daily.

DEPARTURE ROUTES

Effective Thursday, February 6, 2025, through Tuesday, February 11, 2025, 1300-0400 UTC daily. Due to the expected heavy volume of departures, users must file the following routes. ATC will issue re-routes to aircraft not on these routes. In order to avoid departure delays, ATC may issue alternative departure routings.
