

FAA Form 7711-1, 14 CFR Part 107
LAANC Night Operations

DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION

CERTIFICATE OF WAIVER OR AUTHORIZATION

ISSUED TO

Unmanned aircraft flyers operating in accordance with 14 CFR Part 107 while using the Low Altitude Authorization and Notification Capability (LAANC) as a means of obtaining an operational approval.

This certificate is issued for the operations specifically described hereinafter. No person shall conduct any operation pursuant to the authority of this certificate except in accordance with the standard and special provisions contained in this certificate, and such other requirements of the Federal Aviation Regulations not specifically waived by this certificate.

OPERATIONS AUTHORIZED

This authorization extends the duration of a LAANC issued authorization to allow night time operations for the date indicated on the LAANC authorization. This extension is effective only in conjunction with LAANC issued authorizations at or below the Unmanned Aircraft System Facility Map (UASFM) values. Night time operations that carry over from one calendar day to the next will require separate LAANC authorizations and extensions for each calendar day. Operations must be conducted in accordance with 14 CFR Part 107.29.

LIST OF WAIVED REGULATIONS BY SECTION AND TITLE

N/A

STANDARD PROVISIONS

1. A copy of the application made for this certificate shall be attached and become a part hereof.
2. This certificate shall be presented for inspection upon the request of any authorized representative of the Federal Aviation Administration, or of any State or municipal official charged with the duty of enforcing local laws or regulations.
3. The holder of this certificate shall be responsible for the strict observance of the terms and provisions contained herein.
4. This certificate is nontransferable.

Note-This certificate constitutes a waiver of those Federal rules or regulations specifically referred to above. It does not constitute a waiver of any State law or local ordinance.

SPECIAL PROVISIONS

The Special Provision listed is inclusive and set forth in this authorization.

This certificate for operations authorized by 14 CFR Part 107 is effective from April 21, 2021 through September 30, 2021, and is subject to cancellation at any time upon notice by the Administrator or his/her authorized representative.

FAA Form 7711-1, 14 CFR Part 107
LAANC Night Operations

SPECIAL PROVISIONS

FLIGHT OPERATIONS:

- a. This authorization can be rescinded by the FAA at any time and is issued in order to allow UAS flyers operating under 14 CFR Part 107 to continue to utilize LAANC while modifications to LAANC are underway which will allow operators to also request night operations through LAANC. This authorization should be considered temporary in nature and non-precedent setting for future night operations.
- b. Any impacted air traffic control facility may terminate, restrict, or delay this authorization for UAS night operations at any time.
- c. This authorization for night operations does not change any of the requirements or provisions listed in the LAANC operational approval other than those pertaining to the duration of operations.
- d. This authorization and the Special Provisions shall be in effect between civil sunset and civil sunrise local time only on the date listed on a valid LAANC operational approval for the area in which the UAS is being operated.
- e. This authorization does not waive any Federal, State or Local regulation.
