

## DRAFT BROADCASTER/ANNOUNCER COPY

### Sports Team Venues

Generic:

Welcome (team name) fans to (name of venue)! The (team name) remind you on game day – to put your drone away! Drones are prohibited from flying in and around (name of venue) starting one hour before and ending one hour after each game. This protects you, other fans, and the players. Thank you for joining us for today’s game – and thank you for leaving your drone at home.

Optional, especially for pre-game announcements and or safety videos:

If you see a drone, contact the (name of venue) security staff by texting “DRONE” to (text number specific to stadium security). Thank you for joining us for today’s game – and thank you for leaving your drone at home.

### Racing Venues

Generic:

Welcome race fans to (name of venue)! We remind you on race day – to put your drone away! Drones are prohibited from flying in and around (name of venue) starting one hour before and ending one hour after the race. This protects you, other fans, as well as the drivers and their crews. Thank you for joining us for today’s race – and thank you for leaving your drone at home.

Optional, especially for pre-race announcements and or safety videos:

If you see a drone, contact the (name of venue) security staff by texting “DRONE” to (text number specific to venue security). Thank you for joining us for today’s race – and thank you for leaving your drone at home.

## **\*\*DRAFT\*\* SOCIAL MEDIA COPY**

It's game/race day – put your drone away! Drones are prohibited from flying in and around stadiums starting one hour before and ending one hour after sporting events.

We are not playing – leave your drone at home! Drones are prohibited from flying in and around stadiums starting one hour before and ending one hour after sporting events.
