

Drone@Home Scavenger Hunt

Supplies:

- Unmanned aircraft of your choice with a camera
- Timer
- Visual Observer

Directions:

Step 1

[Ensure your location is a safe place to fly.](#)

Conduct any necessary flight planning activities and make sure the visual observer understands their role.

All Unmanned Aerial System (UAS) operations suggested here must be done in compliance with current law and regulation. Information about these laws and regulations can be found at <http://www.faa.org/UAS>.

Step 2

Each team or pilot is tasked with gathering pictures of the following items with the drone. The team or pilot who completes the list, with the best time, wins.

1. A mailbox
2. An animal
3. A fire hydrant
4. An outdoor grill or barbecue
5. A red car
6. Any holiday or seasonal outdoor decoration
